John 21:15-17 – Following Where Love Leads

My Story

1. What is the sweetest reunion you've ever had with family or friends?

Digging Deeper

2. Why do you think Jesus singled out Peter in these verses?
3. Peter's recent denial of even knowing Christ may have left him feeling disqualified to serve Christ. Jesus' question to Peter is not, "Why did you deny me?" but, "Do you love me?" Why would Jesus ask this question?

4. What does this passage teach us about Jesus' care for each individual follower?

Reflection

5. Each time Peter declared his love for the Lord, Jesus called him to "care for His sheep". If you love the Lord, what might it look like in your life to "care for His sheep?"
6. What, if anything, was "sweet" about Peter's conversation with Christ in this passage?
