Ecclesiastes 4:9-12 – Train With a Partner

My Story

1. What job have you tackled by yourself that you should have asked someone to help you do?

Digging Deeper

2. Eccl. 4:9 explains that we accomplish more together. Verses 10-12 list three more blessings of fellowship. Summarize those blessings and give an example of what each looks like in the Christian life today.
3. In Phil. 2:1-4, Paul has a lot to say about the basics of Christian fellowship. How would you summarize what these basics are? Which particular elements stand out to you in these verses?

4. God clearly designed us for fellowship. What are some of the drawbacks of trying to live our faith out in isolation from other believers?

Reflection

5. How easy is it for you to allow someone to help you? Or, to let someone know that you need help? Why?
6. In what specific ways could others in your group spur you on in your Christian walk?

Taking the Next Step

Identify something you can do for someone else this week to bless them and do it. Maybe offer to babysit for another couple so they can have a date night. Do a menial task for an elderly neighbor. Or, invite someone out for coffee & fellowship.
