Romans 12:1-6a – Foundations for Faithful Service

My Story

1. Share a time when you went with something that was trendy, and now look back and wonder, “What was I thinking?”

Digging Deeper

2. Verses 1+2 indicate that we are to offer God all that we are (outwardly & inwardly). Why is such an expectation reasonable?
3. Paul makes clear in this passage that all Christians are given a measure of faith and a gift(s) with which they are to serve God. Why do some Christians undervalue their gift or believe that they don't have one?

4. With verses 4-6 Paul explains that each Christian is gifted differently. Why doesn't God simply give every Christian all of the gifts that are needed in His Kingdom?

Reflection

5. If a new Christian were to ask you, “How can I figure out what spiritual gifts I have and begin using them to serve God?” how would you answer them?
6. At this moment, what spiritual gifts do you think God has given you, and how have you been using them?
