John 21:18-25 – Stay in Your Lane & Follow Jesus

My Story

1. Who was expected to do the most chores around the house when you were a kid? Who got off the easiest?

Digging Deeper

2. Twice in our passage, Jesus called Peter to “follow” Him (vv.19+22). What does it mean to follow Jesus? What do John 1:35-42 and Mark 8:34-38 teach us about following Jesus?
3. What does Jesus’ rebuke to Peter (v.22) reveal about the danger of comparing ourselves with other Christians?

4. In verse 25, John acknowledges that there are many other things that could have been written about Jesus’ life and ministry. How can we be sure that what we have in our Bibles is all that God intended for us to know? How can we be sure it is sufficient?

Reflection

5. How can you bring glory to God through your life and the unique opportunities God has given you?
6. Do you sometimes get preoccupied with what the Lord is doing in someone else’s life instead of focusing on how He is at work in your own life? What are some ways we can help each other tune in to the Lord’s work in our own lives?
