Study Guide

Psalm 119:17-24 – Depending on God in Your Daily Life

My Story

1. Go through “Getting to Know You” questions which will be distributed on the first night of Growth Groups.

Digging Deeper

2. What are some ways in which God deals bountifully with (does good to) His followers (v.17)? Consider passages like 2 Cor. 9:8-10; Eph. 3:20-21; Phil. 4:19-20; and James 1:17-18 in your answer.
3. What are some of the wonderful things you have found in God’s Law (v.18)? What has God said that delights you (v.24)?

4. In verse 21, God rebukes the arrogant. How can personal pride get in the way of our obedience to God?

Reflection

5. In what area of life do you find you need to depend on God the most? Why?
6. Why are we sometimes tempted to try and go it alone, rather than seeking God’s provision and deliverance?
