Psalm 119:105-112 – Determined to Obey

My Story

1. Go through the “Getting to Know You” questions your group leader emailed out.

Digging Deeper

2. Verse 105 speaks of God’s Word as illuminating our path. What are some other ways God guidance shows up in Scripture?
3. Compare vv. 107-110 with 2 Cor. 11:23-29. How did the psalmist and Paul endure these times of distress?

4. How can the psalmist make the claims he does in verses 106 & 112? Can we make a similar claim today? Why/why not?

Reflection

5. When have you been acutely aware of God’s guidance in your life? How did He provide His guidance to you then?
6. How has God encouraged you when you’ve felt afflicted or trapped, like the psalmist (vv.107+110)?
