2 John 1-6 – Taking a Walk on Mother’s Day

My Story

1. What is the longest walk you’ve ever taken? What motivated you to walk so far?

Digging Deeper

2. What does John mean by “some” of your children (v.4)? Do true Christians walk in the truth at all times? Support your answer.
3. John’s command from v.5 relates back to John 15:12-13 (read it). Now read 1 John 3:16-18. How does John’s definition of love here differ from the world’s definition of love?

4. Read Phil. 2:1-8. What practical instruction do we find here about how we can live in obedience to God’s commands (v.6)?

Reflection

5. Which is easier for you to do – “walk in truth” or “walk in love”? Why do you think that is?
6. How have you experienced the promised presence of God’s grace, mercy, and peace (v.3) in this past week?

Taking the Next Step

Take a “prayer walk” this week. Wherever you choose to walk, take that time to pray. Pray for your relationship with God, that you might walk in truth, love, and obedience. Pray also for the people and homes you pass.
