Ministry Motivation – Romans 15:14-21

My Story

1. What is one of the hardest things you've ever accomplished?
What motivated you to attempt it?

Digging Deeper

2. Paul wrote boldly to remind his readers of certain things (v.15).
Why might they have needed reminders? Why do we?
3. Paul says that he has "found reason for boasting" (v.17).
However, he also warned against boasting elsewhere (Rom. 3:27; 1 Cor. 1:31). Why is it appropriate for him to boast of his ministry here?

4. How did the power of God show up in Paul's ministry? How do we see the power of God in ministries today?

Reflection

5. Paul's ambition was to preach to those who had never heard about Christ (v.20)? To what ministry do you feel God has called you?
6. How do you know when you are fulfilling God's calling on your life?

Taking the Next Step

Sit down and make a list of “what Christ has accomplished through [you]” (v.18). Pray, giving Him the glory, and asking Him to provide further opportunities for service.
