

My Story

1. What 2 things do you remember about your grandfathers? How does your family try to remember the past?

Digging Deeper

2. Do you think that many Christians today would envy what the Israelites experienced (vv.1-5)? How could someone see those powerful things and still rebel against God?
3. How do the 4 types of sin committed by the Israelites (vv.7-10) serve as a warning to the Corinthians and to Christians today?

4. How can the 4 statements/promises Paul makes in v.13 help us in our struggle against temptation?

Reflection

5. What are some things God has taught you in the past about facing temptations, either in your successes or failures?
6. Like the Israelites, we too have been recipients of some of God's blessings. How do you show your gratitude to the Lord for this?

SERMON NOTES

Standing on the Promises – 1 Cor. 10:1-13

Taking the Next Step

Ask God to show you where you are overconfident in your walk with Him, and how you can depend on Him more in those areas. Then memorize 1 Cor. 10:13 for those times you feel overwhelmed by temptation.
