God is Great! – Daniel 6:25-28

My Story

1. What sorts of things consistently drive you to praise God? What things make it difficult for you to praise God?

Digging Deeper

2. Why do you think King Darius issued a decree after Daniel's miraculous survival? What was the purpose behind it?
3. Compare King David's words in Psa. 145:8-13 with King Darius' words in verses 26+27. What similarities and differences do you find? Do you think that Darius believed in God as David did?

4. Why do you think this passage concludes with a statement about Daniel's success during the reigns of Darius and Cyrus? What significance does it hold in the broader context of this chapter and the book of Daniel thus far?

Reflection

5. Consider instances in your life where you've experienced God's faithfulness and deliverance. How can you use those experiences to strengthen your faith and encourage others?
6. How can you use the platform or opportunities God has given you to glorify Him and advance His kingdom, just as Daniel did during the reigns of Darius and Cyrus?

Taking the Next Step

Take time this week to simply praise God for His attributes. Try this: using each letter of the alphabet, think of a characteristic of God and praise Him for that (i.e., A – Almighty; B – Blameless; C – Compassionate; etc.).
